

The city at your own rhythm

© Anne-Emmanuelle THION

Adagio

Enjoy some of Europe's largest cities at your own rhythm thanks to an innovative accommodation concept for all your medium and long stays. Ready to live in apartments with optional services and degressive rates according to your length of stay (4 nights and more).

Key figures

88 Aparthotels

9,710 apartments

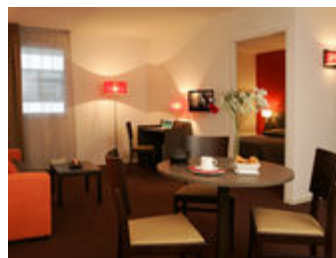

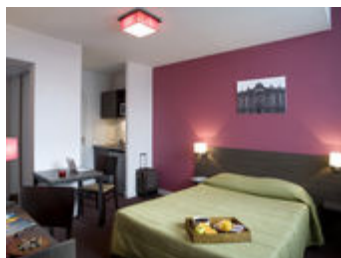

7 countries

at 12/31/2011

 Our locations

From studios to 2 bedroom apartments

Each apartment is ready to live in: fully equipped kitchen (crocery and kitchen utensils, ceramic or electric hot plates, dishwasher, microwave oven, fridge, ...) bathroom with bathtub or shower, flat TV screen with international channels, telephone with direct line, individual safety deposit box, air-conditioning, Wi-Fi or broadband Internet access...

Customised hotel services and 24/7 reception

For greater comfort and peace of mind, Adagio provides a large selection of optional services in most of its Aparthotels such as breakfast, launderette, dry cleaning, daily cleaning, car park and even more, takeaway deliveries, information about the city and the local area... A genuine welcome and service with a smile strengthened by the presence of our teams 24/7 to ensure your complete safety and to help you for any problems or questions.

The concept

The Adagio concept meets the very real consumer need for city stays: an easily accessible "pied à terre", offering home comfort and the chance to keep its own habits in a city that you don't know. At the same time, our teams ensure your total peace of mind and safety. With Adagio you can experience the city at your own rhythm!

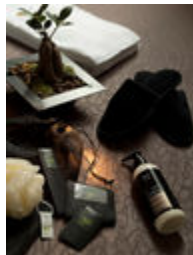

The Adagio network

Adagio City Aparthotel already comprises 33 Aparthotels, with more than 4 180 apartments in Aix-en-Provence, Annecy, Basel, Berlin, Bordeaux, Brussels, Caen, Grenoble, Marseille, Monaco, Munich, Nantes, Paris, Rome, Saint-Etienne, Strasbourg, Toulouse, Vincennes and Wien. Many openings are planned for 2012/2013: Abu Dhabi, Liverpool, Moscow, Kaluga (Russia), Cologne, ...with an ambition: develop 130 Aparthotels (opened and planned) across Europe by 2015.

Long stays clients: a personalised welcome

In order to facilitate the long stays clients to a quickly settle into their apartment, Adagio offers to its more than 28 nights residents, different welcoming products such as: in the kitchen, a “Welcome Pack”, providing more than 10 useful foodstuffs for the first meals preparation, and in the bathroom, a “Serenity Kit” providing: a body lotion, a bath lily, a manicure kit, cotton buds, a pair of cotton slippers and a shoe shine... Adagio provides « long stay » guests with services that really make all the difference!
