Accommodation

The trio room has a double bed and a single bed overhead, very convenient for families, and the duo room has 2 single beds, very pleasant for professional visits or for friends. These rooms are equipped with a wash-corner, handy storage and new technologies such as: a flat-screen TV with multimedia socket for video games.

At hotelF1 you can also enjoy a good Tonus buffet breakfast (all you can eat) and snacks at all hours (hot/cold snack vending machines).

hotelF1 and sustainable development

hotelF1 is committed to PLANET 21, Accor group's sustainable development program. hotelF1's commitment is conveyed by concrete actions.

For instance, in 2011:

- 92% of our hotels organize prevention training for staff
- 77% of our hotels fit their showers/faucets with flow regulators
- 82% of our hotels use energy-saving bulbs for their 24-hour lighting
- 146 of our hotels are taking part in the Plant for the Planet reforestation project
