Motel6

North American chain of budget motels in U.S. and Canada

Established in 1962 in Santa Barbara, California, Motel 6 is a leader in budget hotels in the United States and is also present in Canada. The chain offers the best price value at all of its locations and provides the following services: cable television with premium channels, free local calls, free coffee in the morning, non smoking rooms, free accommodation for children and Wi-Fi Internet connection – all for the lowest price of any American hotel chain.

 Our locations

Our assets

■ **Motel6 is growing**

With a new room and building design, Motel6 is revolutionizing the standard of economy lodging in North America. The design features include 32" flat-screen TVs, wood-effect laminate flooring, a media panel where guests can plug in DVD players, MP3 players and video games, settee for eating and/or working with full TV visibility, and granite countertops in the bathroom.

■ **Accor North America**

Headquartered in Dallas, Texas, Accor North America operates more than 1,000 upscale and economy properties including nationwide economy leaders Motel 6 and Studio 6, Sofitel Luxury Hotels and upscale Novotel locations in the U.S. and Canada.
