# The Human Resources section of [accor.com](http://accor.com) appreciated by students!

With its high quality content adapted to the needs of young graduates, the Accor recruitment and careers website has come out 21st in the list of 100 companies in the "Top Employer Web Benchmark 2009" ranking. This annual list of the most popular sites is put together from a survey carried out among 3000 French students. The students particularly appreciate the site for being interactive and easy to use.
