Novotel Santos Dumont: the brand arrives in Rio de Janeiro

On August 3, the Novotel Santos Dumont welcomed its first guests in the Carioca capital.

The brand's twelfth in Brazil, it brings the network total in Latin America to 16 establishments. The Novotel Rio de Janeiro Santos Dumont enjoys a location in Downtown Rio, 400 metres from Santos Dumont Airport, not far from the business district and close to many of the city's tourist attractions such as Aterro do Flamengo and the lively Lapa district.

A quick tour

The 10 floors of the hotel include 149 rooms and one suite. With contemporary design and attention to detail, they guarantee maximum comfort in a pleasant living environment thanks to a number of features, such as modular workstations, an anti-noise system and large windows ensuring natural light.

Eight rooms are designed for people with special needs. The arrangement of the rooms and the hotel's accessibility will allow them autonomy and comfort throughout their stay at the hotel.

The hotel's original combination of business services such as "Meeting @ Novotel" with four modular events rooms with special attention to well being and relaxation through the "In balance by Novotel" offer will satisfy demanding business clients who are eager to balance their work with leisure moments.

Hotel guests as well as outside visitors can enjoy meals at the restaurant on the second floor, which offers international cuisine along with the best of local specialities, or relax at the hotel bar, the "365".

Finally, Novotel guarantees connectivity with free Wi-Fi access throughout the hotel as well as a Web Corner on a Mac, with a Mac G4 computer available for guest use.
