# Valentine's Day according to Suitehotel and Lenôte

Suitehotel and Lenôte come up with two formulas for couples to celebrate Valentine's Day.

### **Lenôte will wake up your taste buds**

This year, Lenôte has created the "Cherry and Cacao of Love" cake for your Valentine's Day feast.

The layered pastry of thin dark chocolate sheets reveals different flavours: crunchy dried fruit, crushed cherry, chocolate mousse, cherry jelly and chocolate parfait.

For a 100% Lenôte menu, couples can also share a starter of lobster in layered pastry and scallops in puff pastry as the main course.

### **Suitehotel: a gift box of amusing pleasures**

For the second year in a row, Suitehotel is offering the "Love 'n Play" gift box for lovers on Valentine's Day.

"Love 'n Play", created in partnership with YESforLOV, specialising in pleasure-giving cosmetics, is an exclusive formula presented in a gift box full of surprises.

The offer is available at the 18 Suitehotels in France as well as those in Geneva and Vienna.
