

# Why choose Accor?

Accor is a hotel group. Our success depends on all of our employees, **men and women throughout the world**. This is why Accor has implemented an international human resources policy to **motivate and retain** talented employees to ensure quality service for our customers.

## **Major Group**

More than **180,000 employees\*** in Accor brand hotels worldwide **in 92 countries**

## **Professional progression**

**Progress more quickly than elsewhere...**

...at your own rhythm and depending on your motivation

## **Training**

**Seize the opportunity...**

...to increase your professionalism

Objective: one training session per employee per year

## **Pay package and benefits**

**An attractive employer...**

...giving you a share in the Group's success...

...and recognising your talent

**An attentive employer...**

...giving you access to numerous advantages

## **Mobility**

**Broaden your horizons...**

...abroad

## **Diversity**

**Accor recruits all sorts of talent,**

the Group's assets are founded on the diversity of its teams...
