Contact across the world

Development 'made in Accor'

www.accor.com

MEET WITH OUR DEVELOPMENT EXPERTS

Over 100 developers, around the world, provide local hotel expertise

Because we know hotel development is managed in the frontline, our developers are integrated into operational structures. Specialized by region, the developers have an in-depth understanding of your market's particularities.

The Accor developer is your partner

As an Accor ambassador, he is your advisor and coordinator, providing you with a permanent link to the Group and studying, assessing and managing your project, whether it involves rebranding, renovation or new construction.
