A HIGHLY CONVENIENT LOCATION

Located in the center of Europe's aviation and aerospace capital, the Pullman Toulouse Airport is five minutes from Toulouse-Blagnac International Airport and 15 minutes from the *Ville Rose*, whose name derives from its distinctive brick architecture. The hotel offers an ideal setting for business and leisure travelers looking for a quiet getaway.

Guest room

COMFORT AND SERENITY

Connectivity Lounge

The moment they set foot in the Pullman Toulouse Airport, guests enter a secluded universe far removed from the stress of the city. Paintings and sculptures by local artists are displayed throughout the hotel, creating a distinctive atmosphere of charm and warmth.

The lobby, complete with a large library and fireplace, offers graceful style and ambience. A large, colorful painting hanging above the fireplace produces a cheerful note, making travelers feel right at home. Seated snugly in cushiony armchairs or sofas, guests can enjoy the fire and contemplate the works of art on display.

Comprised of a restaurant and lounge, **Le Corridor** offers two distinct spaces where guests can dine and relax:

The bar, decorated in warm shades of raspberry and orange with delicate touches of velour, taffeta and feathers, is reminiscent of a boudoir. Comfortably seated in spacious armchairs or cozy wall benches, guests can enjoy the fireplace or the intimacy of a quiet, undisturbed corner.

Modern and elegant, the restaurant combines hard and soft materials, such as wood and velour. A large bay window overlooking the terrace provides abundant natural light, while stylish chandeliers with graceful intertwining branches produce a soothing light. The setting is ideal for both private gatherings and business events.

The Pullman Toulouse Airport offers **different types of hotel rooms tailored to individual needs:**

- 36 Classic rooms
- 42 Superior rooms
- 22 Deluxe rooms

Spacious and comfortable, all **100 rooms – 25 of which have been completely renovated** – provide luxurious amenities in a relaxed environment, including free wireless, high-speed Internet access, digital, flat-screen television and a webcam. The rooms also include a minibar and a tea and coffee hospitality tray. Deluxe rooms are equipped with a Nespresso machine and offer complimentary non-alcoholic beverages.

EXQUISITE, CREATIVE DINING

Le Corridor's culinary creations combine **exotic flavors and regional tastes.**

The menu features a refined, appetizing blend of dishes showcasing regional ingredients fresh from the market.

To start the meal, a mouth-watering foie gras awaits the most demanding gourmets, while dishes with evocative names like *Sur le bout des doigts* shrimp rolls and *Sur le sel* Oléron oysters will delight more adventurous palates.

Lobby

The main course menu features inventive preparations made from classic meat and fish ingredients, such as breaded lamb Provençal in Chinese pepper jus, served with ratatouille brunoise with olive shards, or scallops baked in their shells with foie gras and cepe cream.

The dessert menu includes chocolate lava cake with carambar caramel and salted butter, pear crumble and a fruit smoothie with ginger-scented panacotta. For a more convivial dining experience, the restaurant also prepares dishes for more than one person, like Iberico de Bellota ham with tomato bread or stir-fried prawns with lime and ginger.

Catering to the needs of each of its guests, the Pullman Toulouse Airport also serves a simpler menu called Esprit Snack. This offering includes a savory open-faced sandwich with basil-grilled vegetables and mozzarella, a traditional grilled duck burger from southern France or cream of vegetable soup. And for those in a hurry, the Pullman offers a 45-minute Power Lunch menu comprised of either a meat or fish dish, a small bottle of sparkling water and an espresso coffee with a dessert sampler.

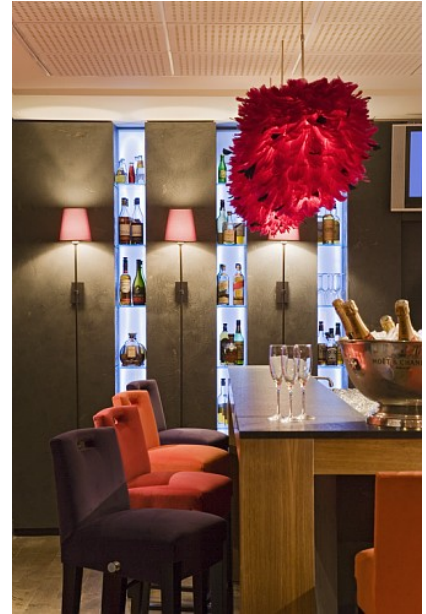

- The restaurant can seat up to 78 guests, including 36 on the terrace
- 28 table settings in the bar-lounge
- Round-the-clock room service

Opening hours:

The Corridor is open Monday to Friday from 12:00 p.m. to 2:00 p.m. and 7:30 p.m. to 10:00 p.m.

Certain items on the “Esprit Snack” menu are served every day around the clock.

The Bar is open from 5:30 a.m. to 1:00 a.m.

Bar

RECREATION, RELAXATION & DISCOVERY

Swimming-pool

The Pullman Toulouse Airport has a large, 10-meter long indoor swimming pool heated to 25°C and decorated in relaxing white and gray tones. After a long trip or day at work, guests can unwind in the pool or relax in the solarium. Pastries, tea and fruit are served by the pool.

Guests can also relax or enjoy a workout at the hotel’s fitness center, which includes a sauna as well as cardio equipment and weight machines. The fitness center and swimming pool both overlook the outdoor terrace through big bay windows.

For those wishing to sit by the fireplace with a good book, the library in the lobby is the perfect spot for a tranquil retreat.

The hotel is also conveniently located near jogging paths and a golf course. Other nearby attractions include the Airbus factory, which can be toured, and of course the city and its monuments, which are less than 15 minutes away.

Lobby

PREMIUM SERVICES

To ensure customer well-being, the **Pullman Toulouse Airport offers the services of a Welcomer, a hotel employee dedicated to greeting and assisting guests.** A symbol of the Pullman philosophy, the Welcomer anticipates and handles customer requests, providing discreet, personalized service.

Developed in collaboration with Microsoft, **the Connectivity Lounge enables Pullman guests to stay in touch with family, friends and business contacts** via the latest technology.

The hotel also has a guarded indoor car park, laundry services and free shuttle transportation to and from the airport.

MEETINGS AND EVENTS

The Pullman Toulouse Airport is suited to all kinds of business events. Facilities and services include:

Meeting room

- **Five modular spaces that can accommodate up to 200 people**, named after famous aviators: Saint Exupéry, Doret, Guillaumet, Latécoère and Mermoz
- High-speed wired or wireless Internet connection in the meeting rooms
- A video projector, screen, paperboard, plasma screen and PA system
- An **Event Manager**, who is the sole contact person throughout the event
- An **IT Solutions Manager**, who is a multimedia/technology expert.
